

ENABLING QUALITY IMPROVEMENT IN PRACTICE

Tower Hamlets Our Latest Newsletter (15/10/2018)

EQUIP Infographic (say whaaaaat??) update

In this edition of our comms:

Good news: we are so swanky and cool we are boldly using the word "infographics"
(I had no idea what this even meant until we made a flipping Infographic)

BEST news: this is pretty much all I'm going to write!

Our collective job now is to think about doing something around the ~~patient~~ citizen involvement section. We so need to crack this. To the one practice with the "Big I"

involvement - we're coming to find you.

Have a dancing weekend, folks.
