## Island Health QI Journey

Dear Improvers,

I'm in charge this week (covering for Thanksgiving) and I will keep it short and staging to the point!

Island Health have prepared a video in which they are sharing their QI journey to date.

Click on the picture above to watch the video. ([click here](#) otherwise)

Thank you for sharing Island Health and hope it will inspire others around you, especially on engaging with local residents in QI work!

If you are interested in joining the tower hamlets QI coaches faculty next year, Coaching Training applications will be opening soon so keep an eye on comms.

Before I check out, and because it's almost a tradition now, I would like to invite you to name one thing you are grateful for this year... and share it with the person sitting next to you.

Wishing you all a nice afternoon,

Clemence on behalf of the EQUIP team.
